## 1st European Conference on e-Public Procurement (ECPP) and 1st Exhibition of European e-Platforms

Published by Editor Connect on 18/07/2012

The objectives of this 1st European Conference on e-Public Procurement and 1st Exhibition of European e-Platforms are: Discussing the implications of the single digital market on public procurement; Presenting the new advances of e-procurement available through Software as a Service (SaaS); Discussing the role of e-procurement to improve the management of each organization; Identifying major macro-economic benefits due to the dissemination of e-public procurement; Discussing alternative strategies to simplify and to overcome e-procurement obstacles; Analyzing the new European Directives for e-public procurement; Presenting e-procurement impacts on innovation and on SMEs access to public markets; Proposing new initiatives to increase cross-border public procurement. An exhibition of “best-of-breed” services of e-platforms is open during the whole day.
