

Events: 16/12/2011 - 01:00, Brussels, Belgium

Promoting the shared use of radio spectrum resources in Europe

This workshop, hosted by the European Commission, will present the results of an independent study on "shared spectrum access" carried out for the European Commission. Stakeholders are invited to discuss the key findings of the study with the authors. Interested parties can also contribute to the workshop and to the open discussion by submitting their ideas in advance to the workshop organisers. Registration is open until 30 November 2011.
