European Commission Core Usage Invoice Specification

CIUS for EN 16931-1:2017

Publisher: DIGIT.B.1, European Commission, Rue de la Loi 2000, Brussels 1049, Belgium
EC-PEPPOL-SUPPORT@ec.europa.eu

Governed by: the European Commission

Creation date: 24 September 2019

1. Introduction

This EINV-CE-CIUS is an additional restriction on top of PEPPOL 3 BIS which follows the European Norm EN16931-1:2017.

2. Identifying EINV-CE-CIUS

The compliance of an instance document's semantic content, cardinalities and business rules is identified in BT-24 "Specification identification". The identification for this extension is:

BT24	1..1	Specification identification	urn:cen.eu:en16931:2017#compliant#urn:ec.europa.eu:EINV-CE-CIUS:1.0.0

According to the eInvoice instance document syntax the specification identification will be:
- UBL 2.1

```
<cbc:CustomizationID>
urn:cen.eu:en16931:2017#compliant#urn:ec.europa.eu:EINV-CE-CIUS:1.0.0
</cbc:CustomizationID>
```

3. Rules imposed by this CIUS
