**eID under eIDAS webinar**

# eID and eSignature for tax declarations in La La Land: a fictional example

---

# Connecting Europe Facility eSignature Building Block

## Making signatures paperless

- E-signatures **interoperable** throughout Europe.
- Qualified electronic signatures:
  - Based on Qualified Certificate.
  - Using Qualified Signature Creation Device.
- Qualified electronic signature legally equivalent to handwritten signatures.
- Sign:
  - Tax declarations
  - Contracts
  - Mandates

# What the European Commission does
