INTRODUCTION

1.1. Approach and purpose of the document

The Monthly Report of the Service Level Arrangement of the CEF eDelivery Service Metadata Locator (SML) Managed Service is a statement of the intentions of the Commission within the context of Connecting Europe Facility (CEF) to show the status of the SML Managed service.

It has to be noted that the SLA is a non-binding statement made in good faith, which is not legally enforceable against the Commission. It creates no new binding legal obligations on the Commission. No legal recourse in case of breaches of such duties or obligations is permitted. As such, this Monthly Report does not require any signatures between parties.

This Monthly Report

- Shows the monthly achieved targets reached by the Solution Provider DG DIGIT for the SML Managed Service (see stakeholders definition section).
- Based on the terms of the CEF eDelivery Service Metadata Locator (SML) Managed Service Level Arrangement V1.0, and the Master Service Arrangement.
