1. Introduction

The European Commission (hereafter ‘the Commission’) is committed to protect your personal data and to respect your privacy. The Commission collects and further processes personal data pursuant to [Regulation \(EU\) 2018/1725](#) of the European Parliament and of the Council of 23 October 2018 on the protection of natural persons with regard to the processing of personal data by the Union institutions, bodies, offices and agencies and on the free movement of such data (repealing Regulation (EC) No 45/2001).

This privacy statement explains the reason for the processing of your personal data, the way the Data Controller collects, handles and ensures protection of all personal data provided, how that information is used and what rights you have in relation to your personal data. It also specifies the contact details of the responsible Data Controller with whom you may exercise your rights, the Data Protection Officer and the European Data Protection Supervisor whose contacts you may find in section 9 of this privacy statement.

The information in relation to processing operation “*Management of subscriptions to receive information concerning eInvoicing*” undertaken by the Data Controller is presented below.

2. Why and how do we process your personal data?

Purpose of the processing operation: The Data Controller collects and further processes your personal data so that you can receive information that you have requested on important developments, activities, policy and technical updates, events, initiatives, thematic issues or other topics related to eInvoicing, in particular through articles, reports, interviews, newsletters as well as visual content.

Your personal data will not be used for an automated decision-making including profiling.

3. On what legal ground(s) do we process your personal data

You have subscribed to receive the information on important developments, activities, policy and technical updates, events, initiatives, thematic issues and other topics related to eInvoicing.

The Data Controller processes your personal data because you have given your consent to the processing of your personal data for the purpose of receiving the requested information.

If you opt-in, you are giving us your explicit consent under Article 5(1)(d) of Regulation (EU) 2018/1725 to process your personal data for those specific purposes. You can give your consent via a clear affirmative act by ticking the box(es) in the online registration form.

Your consent for these services can be withdrawn at any time by clicking on the unsubscribe button in any of our newsletters or by contacting the controller at EC-DIGITAL-BUILDING-BLOCKS@EC.EUROPA.EU.

4. Which personal data do we collect and further process?

In order to carry out this processing operation, the Data Controller collects the following categories of personal data:

- your name, surname and email address are needed to ensure the delivery of the service to you as a subscriber;
- the following personal data is needed for providing you with a more personalised experience (i.e. better targeting the content of the information) and for generating anonymised statistics: Function, Country of residence, Sector of activity / interest, Profession, place of work.

5. How long do we keep your personal data?

The Data Controller only keeps your personal data for the time necessary to fulfil the purpose of collection, namely until you unsubscribe from the mailing list.

Appropriate action shall be taken within a week of receiving the unsubscription request.

In case where data is kept for statistical purposes, some subscriber's optional data (e.g. anonymous data such as function, country, sector, etc) may be kept for 5 years after the unsubscription, providing these do not allow to identify the subscriber any more and that these are available to a very restricted number of authorised persons performing the processing operation on a need to know basis, for the sole purposes of generating anonymised statistics.

6. How do we protect and safeguard your personal data?

All personal data in electronic format (e-mails, documents, databases, uploaded batches of data, etc.) are stored on the servers of the European Commission. All processing operations are carried out pursuant to [Commission Decision \(EU, Euratom\) 2017/46](#) of 10 January 2017 on the security of communication and information systems in the European Commission.

In order to protect your personal data, the Commission has put in place a number of technical and organisational measures. Technical measures include appropriate actions to address online security, risk of data loss, alteration of data or unauthorised access, taking into consideration the risk presented by the processing and the nature of the personal data being processed. Organisational measures include restricting access to the personal data solely to authorised persons with a legitimate need to know for the purposes of this processing operation.

7. Who has access to your personal data and to whom is it disclosed?

Access to your personal data is provided to the Commission staff responsible for carrying out this processing operation and to authorised Commission staff, including intra-muros consultants according to the “need to know” principle. Such staff abide by statutory, and when required, additional confidentiality agreements.

Please note that pursuant to Article 3(13) of Regulation (EU) 2018/1725 public authorities (e.g. Court of Auditors, EU Court of Justice) which may receive personal data in the framework of a particular inquiry in accordance with Union or Member State law shall not be regarded as recipients. The further processing of those data by those public authorities shall be in compliance with the applicable data protection rules according to the purposes of the processing.

The information the Data Controller collects will not be given to any third party, except to the extent and for the purpose the Data Controller may be required to do so by law.

8. What are your rights and how can you exercise them?

You have specific rights as a ‘data subject’ under Chapter III (Articles 14-25) of Regulation (EU) 2018/1725, in particular the right to access your personal data and to rectify them in case your personal data are inaccurate or incomplete. Where applicable, you have the right to erase your personal data, to restrict the processing of your personal data, to object to the processing, and the right to data portability.

You have consented to provide your personal data to the controller for the present processing operation. You can withdraw your consent at any time by notifying the Data Controller as explained under Heading 5 above. The withdrawal will not affect the lawfulness of the processing carried out before you have withdrawn the consent.

You can exercise your rights by contacting the Data Controller, or in case of conflict the Data Protection Officer. If necessary, you can also address the European Data Protection Supervisor. Their contact information is given under Heading 9 below.
