

Ministerie van Binnenlandse Zaken en
Koninkrijksrelaties

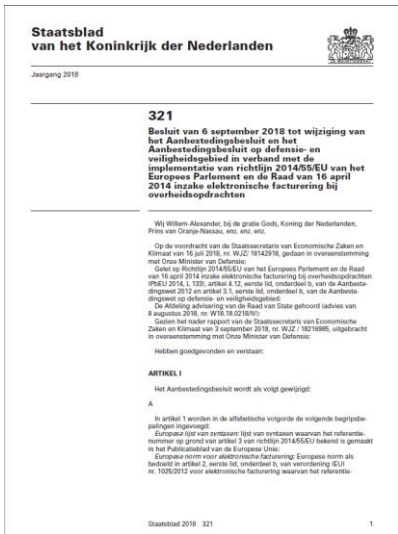

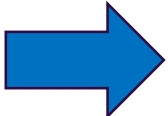

'e-Invoicing implementation at the Sub-central level'

The Netherlands ministry of the Interior and
Kingdom Relations (BZK).

Justin de Jager, senior policy adviser

Directive 2014/55/EU

Dutch Procurement Law

Letter from the secretary of state to all layers of government

Netherlands Enterprise Agency

- Providing general information on e-invoicing
- Participating at roadshows, giving workshops.
- Maintaining an implementation monitor.
- Providing procurement templates for smaller government entities.
- Coordinating the application for CEF subsidies.
- Running auxiliary projects.

Ministerie van Binnenlandse Zaken en Koninkrijksrelaties

Implementation in the Netherlands

Legal: transposition of the directive has been done by limiting the requirement to the government and therefore to Business-to-Government e-Invoicing.

Preferred Infrastructure: PEPPOL

Main focus: The implementation of the technical solution

Result: 95% of the sub-central governments have implemented a technical solution in line with the Directive

Challenge: How to increase adoption?
