# Roadmap

## ToDo's and future Milestones

A group of four young people are gathered around a table, focused on a task. In the foreground, a young woman with long brown hair, wearing a white shirt and a watch, is smiling as she works with a complex arrangement of red and blue wires. Behind her, a young man with glasses and a blue shirt is also smiling. In the background, another young woman is looking on. The scene is set in a bright, modern environment, possibly a classroom or a workshop. The text is overlaid on the left side of the image, with a blue semi-transparent background behind it.

Our world is built by skilled workers trained through VET. **We empower individuals like Maria to build the skills our future needs.** Join us in building the future of VET!
