Digital Single Market

Judges Seminars

The European Commission organises seminars for judges on various aspects of telecoms regulation.

The seminars provide a forum for judges, regulators, the European Commission, the Court of Justice and academics to exchange experience on:

- the development of EU telecoms rules
- the role of national judiciaries in consistently implementing the EU telecoms rules across the EU
- the role of national and European judges in the regulation of the telecoms sector
- the enforcement and harmonisation of telecoms rules in the EU.

Past seminars for national judges:

- The Role of the Judiciary in the Changing Digital Single Market - [20 January 2017](#) [1].
- Electronic Communications Regulations at a Cross-road - [15 January 2016](#) [2].
- The place of the National Judiciary in the Single Market for Telecoms - [20 November 2014](#) [3], Brussels.
- Broadband deployment & spectrum management in the Digital Single Market: from policy to judicial control - [2 December 2013](#) [4], Brussels.
- Predictable market regulation and effective right of appeal. The role of the judiciary in contributing to regulatory certainty - [26 November 2012](#) [5], Brussels.
- Implementing the revised regulatory framework in electronic communications - [28 November 2011](#) [6], Brussels.
- Recent developments of the EU telecoms rules - [29 November 2010](#) [7], Brussels.
- Challenges following the forthcoming reform of the EU telecommunications rules - [30 November 2009](#) [8], Brussels.
