

Digital Single Market

REMINDER: eHealth Week Early Bird deadline 6 February! - Follow news on twitter #eHW12

Promotional Material06/02/2012

eHealth Week 2012 in Copenhagen, Denmark 7 - 9 May, promises to be particularly memorable, as delegates from across Europe are invited to attend the High Level eHealth Conference, which together with The World of Health IT Conference & Exhibition are the cornerstones of the event. In addition to these events - new this year: an SME eHealth competition and an SME village, a EU-US cooperation on eHealth workshop, a CIO track, a mHealth symposium, an Active and Healthy Ageing track and many more. Register to take part!
