Digital Single Market

Digital Agenda Assembly 2013 Workshops

☐Menu

Exchange, share, debate even after the Assembly! Find your favourite topic amongst the seven workshops which took place on 19 June 2013.

Workshop 1: Digital skills for jobs and learning #da13skills

Filling the jobs of today and tomorrow with new approaches to training and education (false [1]).

Workshop 2: Going Smart and Accessible in Public Services and Cities #da13smart

'Digital' making sense for citizens: do smart public services live up to their promise? How do we make public websites accessible to all? Do we want to live in a smart city? (false [2]).

Workshop 3: Translating research and innovation into jobs and growth #da13innov

Digital innovation in the market place: how can we win the race? (false [3]).

Workshop 4: Broadband demand stimulation: the impact of cloud #da13cloudBB

The Workshop will focus on how cloud changes the broadband demand, what are the infrastructure requirements for cloud services, as well as the role of the public sector in broadband demand stimulation (false [4]).

Workshop 5: Building an open, safe & secure cyberspace #da13trustsec

How best to prevent and respond to cyber disruptions and attacks (false [5]).

Workshop 6: Tech entrepreneurs: the path to success #da13entre

How to create a favourable environment for startups in Europe ? Join the debate and help us identifying concrete new actions for tech entrepreneurs ([false](#) [6]).

Workshop 7: The Digital Single Market for business and consumers #da13DSM

The Digital Single Market comprises two strands which will be put under spotlight/discussed during the workshop: online transactions of physical goods and online transactions of digital content ([false](#) [7]).
