Video of PEPPOL - The Next Phase: OpenPEPPOL (interviews)

Do you know what is PEPPOL? It is a system that enables the connection of eProcurement communities allowing private sector to bid for public sector contracts from anywhere in Europe. The project ended in 2012 and the OpenPEPPOL Association -with public and private members- took over. Its specifications have been implemented across Europe. In this video you can find out what are the OpenPEPPOL perspectives for the future!
