

Digital Single Market

EventsBrussels, Belgium10 April 2013 to 11 April 2013

The 1st international conference on Internet Science

The 1st international conference on Internet Science, will be organized from April 10 to 11 in Brussels, under the aegis of the European Commission, by the EINS project, the FP7 European Network of Excellence in Internet Science (<http://www.internet-science.eu> ^[1]), with the support of KVAB.

This highly multidisciplinary conference combines Computer Science, Sociology, Art, Mathematics, Physics, Complex systems analysis, Psychology, Economics, Law, Political Science, Epistemology and other relevant disciplines.

It will be a unique venue fostering dialogue among scholars and practitioners belonging to these disciplines.
