

Digital Single Market

EventsEESC, Rue Van Maerlant 2, Brussels, Belgium6 December 2012 to 7 December 2012

EHTEL 2012 Symposium

Telehealth is often integrated in home care as is telemedicine integrated in clinical routines e.g. for stroke. Everyone in healthcare uses some digital communication. Yet while the tools are there, many conceptual, legal, organisational and educational challenges remain.

Organiser

EHTEL Symposium
