# Europeone - eGovernment Conference

Menu

The Europeone e-Government Conference will bring together experts from the Commission, the Member States, the Candidate Countries and the Private Sector. The conference will focus on issues related to interoperability, key enablers, cross border services, trust and privacy, new technologies tendencies, and e-procurement. Experts will discuss and exchange ideas/experiences on how to empower European citizens and businesses in order to improve their mobility across Europe. Discussions will also focus on how Governments are transforming in order to be more efficient, productive and push economic growth in these difficult global times. The event is organized within the context of the Cyprus Presidency of the Council of EU.
