Call for tenders: Certification schemes for cloud computing - SMART 2013/0041

The European Commission will launch soon a call for tenders for a service contract of a maximum value of EUR€40.000. The purpose of this call for tenders is to provide background information and guidance for the implementation of the actions of the September 2012 Communication on Cloud Computing of the European Commission regarding voluntary cloud certification schemes. The Commission announced to work with the support of ENISA and other relevant bodies to assist the development of EU-wide voluntary certification schemes in the area of cloud computing and establish a list of such schemes by 2014.
