

Digital Single Market

Call for tenders
15/03/2013 to 31/03/2013

Seminar for National Judges: Broadband deployment & Spectrum Management in the Digital Single Market: from Policy to Judicial Control

The purpose of this call for tenders is the organisation of the 8th Seminar for National Judges, which will be held on 2 December 2013 on Broadband deployment & Spectrum Management in the Digital Single Market: from Policy to Judicial Control. The seminar is intended to provide a forum for judges, regulators, the Commission, the European Court of Justice and academics to inform, explain, and exchange views and practices, views and visions.
