Call for proposals 07/02/2013

FI-WARE 3rd Open Call has already been published and is open until 27 February 2013

Tender period

Thursday, 7 February, 2013 to Wednesday, 27 February, 2013

The FI-WARE project has reserved a portion of the project budget to fund specific tasks to be carried out by new beneficiaries that will join the consortium after start of the project. These later-joining beneficiaries are selected by means of a series of competitive Open Calls.

This third FI-WARE Open Call now launched will be devoted to the following goals

- Take up of FI-WARE results by Internet application developers and entrepreneurs
- Creation and support of a dynamic innovation ecosystem around FI-WARE results
- Achieve maximum market visibility for the technologies and services developed by FI-WARE
