Digital Single Market

Call for proposals 22 October 2012 to 29 November 2012

Coordinated EU-Japan call on cybersecurity

Menu

The call is part of the general call for projects in: optical and wireless communications, cyber security, Testbed federation, Green & content centric networks and Internet of Things for small and medium sized projects. The budget of the call is 9 million EUR. Japanese partners will fund a similar amount. The call is open until 29 November.
