## Digital Single Market

Call for proposals 14 August 2012 to 24 September 2012

# Study to support the implementation of a pan-European framework on electronic identification and trust services for electronic transactions in the internal market (SMART 2012/0001)

The objectives of the study are to: \* Monitor the take-up of electronic identification and trust services in Europe including e-signatures. \* Provide legal and technical input (including standardisation) to devise the foreseen secondary legislation of the Commission proposal for a Regulation on "electronic identification and trust services for electronic transactions in the internal market" COM(2012)238. \* Propose a communication and awareness raising activities to promote the uptake of trust services in EU.
