Call for tenders09/05/2012

Future Internet PPP Information Day Call 2

The upcoming open information day for call 2 (i.e. phase 2) of the Future Internet Public-Private Partnership (FI-PPP) aims to provide all information potential proposers need to prepare a proposal for the call 2. Phase 1 of the FI-PPP is ongoing today and consists of a set of projects which prepare the architectural ground work for the large scale trials called for in phase 2 (i.e. call 2). Don't miss this opportunity to join the FI-PPP! Open Information Day, Aalborg, 9 May 2012 13:00 - 18:30 Programme, abstract and details: http://ec.europa.eu/information_society/activities/foi/events/fippi12
