Call for tenders07/04/2010

Ex-ante advertising for a negotiated procedure for a contract of a total value below €60.000 "Coordinator for the second assessment of the implementation of the Safer Social Networking Principles for the EU "

We look for one researcher to assist the Commission with carrying out a second assessment of the implementation of the Safer Social Networking Principles for the EU. The main tasks to be carried out would include: Develop a methodology for the second assessment of the implementation of the Safer Social Networking Principles for the EU ; Adapt the methodology to the different types of social networking platforms signatories to the Principles ; Coordinate a team of national researchers who will implement the methodology and ensure quality control of their work ; Write a report on the main findings of the second assessment of the implementation of the Safer Social Networking Principles for the EU. Deadline for receipt of the supporting documents for pre-selection criteria: 7 May 2010.
