# ACTION-Grid White Paper: "Linking Biomedical Informatics, Grid Computing and Nanomedicine"

Menu

The Action-Grid project (International Cooperative Action on Grid Computing and Biomedical Informatics between the European Union, Latin America, the Western Balkans and North Africa) was a 24-months support action funded by DG INFSO that ended in May 2010. The main accomplishments of the project include a white paper: "Linking Biomedical Informatics, Grid Computing and Nanomedicine" and a survey on Grid Initiatives in the European Union, Latin America, the Western Balkans and North Africa.
