Registration is now open for the eHealth Week 2013

News Article 17/01/2013

eHealth Week 2013 brings together two main events: the High Level eHealth Conference co-organised by the European Commission and the Irish Presidency of the Council of the European Union, and WoHIT (World of Health IT Conference & Exhibition) organized by HIMSS Europe. The event brings together industry partners and providers from across Europe as well as important government and regional decision makers.
