Draft Transatlantic eHealth/health IT Cooperation MoU Roadmap

In the context of the EU-US Memorandum of Understanding (MoU) on eHealth/Health IT please find below a 'pre-final' draft of the MoU Roadmap that sets out the Goals/Objectives with Milestones for the main EU-US MoU collaborative areas of EHR Interoperability and IT Workforce Skills. Please note that this is not a final agreed version of the Roadmap and is for information purposes only. It is anticipated that the final version of the Roadmap will be published in January 2013.
