# State of play on H2020

News Article 17/12/2012

Horizon 2020 is about change, it is about focusing on innovation and competitiveness, and it's about priorities. Overall the European Commission proposed 80 billion euros of funding for 2014-2020, including 1.8 billion euros for the key ICT enabling technologies of electronics and photonics. Negotiations are currently on-going between the European Parliament and the Council.
