Two more hospitals are joining the #epSOS piloting phase in Italy!

Italian hospitals Gavardo and Manerbio have just entered the epSOS piloting phase (ePrescription and Patient Summaries)! The list of healthcare points of care willing to provide the epSOS services is growing! This is a good news as the holiday season is approaching. Take a look on the map on the epSOS website to see where you can find them. More Points of Care will follow soon, stay up-to-date! As well do not forget that you can now download the European Health Insurance Card on your smartphone!
