Draft ICT PSP Work Programme 2012

The draft ICT PSP Work Programme 2012 has been approved by the CIP ICT Committee. The work programme is still subject to the formal approval by the Commission (expected in January 2012). The 6th Call for Proposals would be opened from 1 February to 15 May 2012 (pending formal approval of the Work programme 2012 by the Commission). Please pencil in the date of 3 February 2012 for an information day on the 6th Call for Proposals in Brussels. Confirmation of the date, the exact venue and the draft agenda (the event is planned from 9h30 to 16h00) will be published during the week of 9 January 2012. On line registration will be open from that page during the same week.
