Call for Proposals for Networking sessions at ICT 2010

The ICT 2010 event, taking place in Brussels on 27-29 September 2010, will host a limited set of networking sessions designed to facilitate contacts between researchers and innovators, engineers and investors from all fields of digital innovation. You can propose your networking session, help the Commission focus the agenda of ICT and build future partnerships. Deadline: 15 April 2010.
