Digital "to-do" list: new digital priorities for 2013-2014

The European Commission has adopted seven new priorities for the digital economy and society.

The digital economy is growing at seven times the rate of the rest of the economy, but this potential is currently held back by a patchy pan-European policy framework. Today's priorities follow a comprehensive policy review and place new emphasis on the most transformative elements of the original 2010 Digital Agenda for Europe.
