Active and healthy ageing: concrete action plans for a better life for older Europeans

Press releases06/11/2012

The first Conference of Partners of the European Innovation Partnership on Active and Healthy Ageing took place in Brussels on 6 November. The Conference was headlined by European Commission Vice President Neelie Kroes, Commissioner Maire Geoghegan Quinn, Kathleen Lynch, the Irish Minister of State from the Department of Health and Department of Justice, and the Spanish Secretary General of Health and Consumers, Ministry of Health, Social Services and Equality, María Pilar Farjas Abadía.
