Statement by Vice-Presidents Viviane Reding and Neelie Kroes on International Missing Children's Day

Vice-President Neelie Kroes, responsible for the Digital Agenda stated: "I urge every parent or carer to keep the number 116 000 within reach. 82% of Europeans have never heard of this life-saving 116 initiative. That is a shame that national governments must work with the European Commission to fix, to make Europe a safer place for all children."
