

Digital Single Market

EventsBrussels, Belgium
18/09/2013 to 20/09/2013

Digital Enlightenment Forum 2013

The main theme of this edition is “Personal data and citizenship in the digital society”. The event includes a “Digital Futures Workshop” on the theme “The future of personal data and citizenship”, co-hosted by the Digital Enlightenment Forum and the Digital Futures Task Force of European Commission’s DG CONNECT.
