Find out who is coming to eHealth Week 2013

13/05/2013 to 15/05/2013

As the date for this year's event draws closer, the world's leaders in health IT are committed to attending eHealth Week. It's not surprising, as this year's conference offers one of the best eHealth learning programmes on the planet.

Eight tracks, thirty-five presentations and one of the largest exhibitions ever, [eHealth Week](#) [1] offers thought provoking professional education which will boost your knowledge, develop in your professional skills and inspire you!

Next to Irish Health Minister James Reilly, Irish Prime Minister Enda Kenny, Commissioner Neelie Kroes (Digital Agenda) and Commissioner Tonio Borg (Health and Consumer Policy), this is a sample list of projects and attendees coming to eHealth Week 2013.
