Week of Flagship European Projects "Graphene" & "Human Brain Project" at UIMP 24-28 June 2013

24/06/2013 to 28/06/2013

The Flagship course on European Programmes: Graphene and Human Brain project, falls within the summer activities of the International University Menéndez Pelayo (UIMP) in Santander (ES).

The Week of Flagship European Projects encourages and promotes coordinated multidisciplinary research to advance knowledge in a faster way and with a clear transfer of the results to the industrial sector.
