Call for proposals 24 May 2013

Safer Internet Programme - Call for Proposals and Work Programme for 2013

The last call for proposals under the Safer Internet programme is closed now. The call had a total budget of EUR 2 275 600 of EU contribution and had a fixed deadline of 23 May 2013 (17h00 Luxembourg time).

Call (as published in the [Official Journal C 107 p.7 on 13.04.2013](#) ^[1])

Please note that in case of discrepancies between the different language versions, the English version is the original version and therefore takes precedence.

How to submit a proposal - Guide for proposers 2013

The Guide for Proposers is part of the information necessary to make a project proposal in response to the Safer Internet 2013 call for proposals. It provides guidance on how to prepare and submit a proposal. It is accompanied by appendices containing the mandatory proposal submission forms (Parts A, B and C). This guide is composed of following documents, available only in English:

Guide for proposers

Form instructions

[Part A for proposal co-ordinator](#) ^[2] and parts A and C for each participant

Specific forms (depending on the type of project)

Part B for Pilot Platform for Safer Internet Centres

Part B for Thematic networks

Evaluation

For an overview of the evaluation process and of the evaluation forms please consult the **Guidance notes** for experts evaluating proposals received in response to Safer Internet 2013 call for proposals.

Pre-proposal service

Before developing a full proposal, prospective proposers may use the pre-proposal service by submitting an outline description of max. 3 pages to be sent to Safer Internet helpdesk (see below). Please note that replies to pre-proposals submitted after **10 May 2013** might not arrive in time for you to develop a full proposal.

We are also providing an explanation of a potential redress procedure.
