Digital Single Market

The most active users of the online debate will participate in the Digital Agenda Assembly 2013!

News Article

19/06/2013 to 20/06/2013

The winners of this year's competition have been selected by the animator, for the quality and quantity of their comments in the online discussions.

The winners are the following:

WS1: Cristina Juescas

WS2: Juan Pablo Laporte

WS 3: Sofía Moreno

WS4: Ferenc Jacobs

WS5: Antonio Ramos

WS6: Michele Cimmino

WS7: Russel Burke

We would like to thank all the participants for their collaboration in this year's debate to prepare the Digital Agenda Assembly.

Please note that the discussions will remain open and enriched with more interesting policy ideas in the coming months. Keep participating and your voice will be heard!
