The Klikkers: Granny's safe babysitting

Do you know how to protect your child in Internet? Just like in the real world, there are risks for kids online. That's why young children need to be protected from harmful content online. How to do it?

[1]

- Stop grooming: favouring parental control.
- Stop violent contents: favouring age-rating systems.
- Stop online bullying: through good access to reporting tools.
- Stop misuse of personal data: teaching digital literacy and online safety.
