Video: The EU-US eHealth Cooperation Initiative has kicked off

209 people from all over the globe participated in the online webinar on 20/06/2013 to kick off the EU-US eHealth Cooperation Initiative. During this webinar, US and EU officials talked about the state of play of transatlantic eHealth cooperation and what the plans are. On top of that, the participants were able to ask live questions. If you missed it, you can watch the recording [here](#).

The webinar was recorded, see below or watch it [here](#) [1].

You can also have your say, see what's new and join the Cooperation Initiative [here](#) [2].
