Study on "Broadband coverage measurement in Europe in 2013" - SMART 2013/0054

Call for tenders

27/06/2013 to 20/08/2013

The main objective of the study is to monitor the progress on the broadband coverage objectives of the Digital Agenda (basic broadband access for all by 2013 and high speed broadband access with at least 30 Mbps download speed for all by 2020), i.e. to measure the household coverage of different fixed and wireless broadband technologies with a special focus on Next Generation Access technologies. The Commission will publish the results of the study in the Digital Agenda Scoreboard. The contract will be renewable for 3 years.
