A manifesto for entrepreneurship and innovation to power growth in the EU

The members of the Leaders Club have launched the Startup Manifesto campaign for entrepreneurial excellence. You can show your support for this campaign by signing the Manifesto online.

[1]

Economic conditions in Europe remain hugely challenging with the European Commission forecasting that euro-zone GDP is set to shrink by 0.4% this year. Yet the growing importance of internet-driven economic growth could transform this picture by helping improve the lives of millions of people providing them with new jobs, new skills and renewed hopes for a better future.
