iMobility Challenge - Intelligent Mobility for Smart Cities

Events11/09/2013Valkenburg Airport, 15km from The Hague [NL]

Be part of the next *iMobility Challenge* high-level technology demonstrations day that will take place in Valkenburg on Wednesday 11 September 2013. The event is organised by the FIA, coordinator of the EU FP7 *iMobility Challenge* project which strives to demonstrate, promote and boost the deployment of ICT systems for efficient and sustainable mobility. You will be able to witness and test how the future transport in Europe will look like in the near future. More information on the event, as well as online registration: <http://www.imobilitychallenge.eu/> ^[1]

Organiser

FEDERATION INTERNATIONALE DE L'AUTOMOBILE (FIA), with the assistance of the ROYAL DUTCH TOURING CLUB (ANWB)
