Public hearing on guidelines on recommended standard licences, datasets and charging for the reuse

As part of our [public consultation process](#) [1] on the planned guidelines on recommended standard licences, datasets and charging for the reuse of public sector information, the European Commission invites you to participate in a public hearing.

Please see the attached document with an agenda.

Practical information:

If you would like to attend the hearing, it is necessary for security reasons to register by contacting Ms. Styliani CHARTAMPILA (see contact below).
