European regions encouraged to offer SMEs vouchers of up to €10,000 to go digital

The European Commission is publishing a blueprint to help micro-enterprises and small businesses in Europe's regions grow by using digital technologies. To ensure funding allocated to SMEs to enhance their e-commerce and ICT capacities is spent quickly and in full, innovation vouchers worth up to €10,000 will be made available for purchasing and learning to make use of digital (ICT) services.
