

## Digital Single Market

Call for tenders 9 October 2013 to 15 November 2013

# Support Services To organise the European Web Entrepreneurs Competition -'Tech All Stars' 2014 and 2015 - SMART 2013/N008

A call for tenders is launched by the European Commission for a service contract of a maximum value of EUR 130,000. The purpose of this call for tenders is to organise the European Web Entrepreneurs Competition - 'Tech All Stars' for the years 2014 and 2015.

The aim of this action is to bring together the winning entrepreneurs from different camps around Europe and engage them to participate at a European Startup contest. This event called Tech All Stars will create more visibility, will generate a big buzz among startups that already validated their products and are raising funds. The added value of this European Web Entrepreneurs Competition is to facilitate the networking experience between them and at the same time to allow them to meet and to present their ideas in front of a large audience of VC's, serial entrepreneurs, angel investors, top executives or mentors.
