

## Digital Single Market

News Article 14 October 2013

# A vision for public services

The aim is to outline the long-term vision for a modern and open public sector and the way public services may be delivered in an open government setting.

The Public Services unit in DG CONNECT has drafted "A vision for public services" with the aim of outlining the long-term vision for a modern and open public sector and the way public services may be delivered in an open government setting (enabled by ICT), i.e. how public services may be created and delivered seamlessly to any citizen and business at any moment of time.

Feedback/ comments are welcome to the 'Public Services' unit in DG CONNECT (European Commission): [Cnect-egovernment@ec.europa.eu](mailto:Cnect-egovernment@ec.europa.eu) [2]
