Consultation on the Green Paper "Preparing for a Fully Converged Audiovisual World: Growth, Creation and Values" - Read the contributions

The Green Paper invited stakeholders to share their views on the changing media landscape and borderless internet in particular on market conditions, interoperability and infrastructure, and implications for EU rules.

You will find below the responses of participants who gave their consent to publication.

The European Commission published a [feedback document as well as an executive summary of the replies](#) [1] in September 2014
