Call for proposals 11 December 2013 to 23 April 2014

WP2014-15 Web Entrepreneurs Challenge

This objective calls for projects to create an environment in Europe that encourages more web entrepreneurs to start a business in Europe and scale it up. The focus of this topic is on entrepreneurs who use web and mobile technologies as main components in their innovation with a positive impact across the continuum of actors for entrepreneurship

The forthcoming €10M funding will be allocated to projects to accelerate web entrepreneurship in Europe by using new cross-border services co-developed by several local web entrepreneurship ecosystems and hubs working together. Coordination activities to strength the environment for web entrepreneurship in Europe and that exploit synergies across stakeholder communities will also be funded.

Deadline for applying: 23/04/2014 at 17:00pm (CET)

The expected impact is to support the emergence of dynamic European ecosystems for web entrepreneurs that also contribute to shaping future web entrepreneurship specific policies, in particular for the implementation of [Startup Europe EU initiative](#) [1]
