

Digital Single Market

Event Instituto de Microelectrónica de Barcelona, Spain 29 November 2013

Stakeholder Engagement Forum (SEF) Meeting

The aim of the workshop is to have an in-depth discussion on the several elements of the European Electronics Industrial Strategic Roadmap. The output of the workshops will be used to finalise the European Electronics Industrial Strategic Roadmap.

The core of the workshop consists of [four discussion topics](#) [1]. This is an invitation based event, but if you are interested to participate please write an e-mail at CNECT-SEF@ec.europa.eu.

This workshop is held in the context of the Communication from the Commission on '[A European Strategy for Micro- and Nanoelectronics Components and Systems](#) [2]' of 23 May 2013.

You can also take part in the on-line discussion by posting your comments in the [Electronics Community Discussion Group](#) [1].
