Commission Implementing Decision - Harmonisation of the radio spectrum for use by short-range devices

Policy and legislation 11/12/2013

On 11 December 2013 European Commission adopted the Commission Implementing Decision (2013) 8776 amending Decision 2006/771/EC on harmonisation of the radio spectrum for use by short-range devices and repealing Decision 2005/928/EC.
